3.600 gr. KTM OEM MUFFLER  
2.550 gr. SP-1 SHORT MUFFLER

The iconic exhaust embodying the post-heritage concept of minimalism, born in the Motor Valley and inspired by the glory days of the African rallies, SP-1 SHORT mixes exceptional handcraft, state of the art technology and premium quality materials in order to deliver pure performance. SP-1 SHORT features an ultra slim 300 mm titanium sleeve (0,8 mm thick), a rounded end spout with weldless bending angle, reinforced brackets, carbon fiber heat shields all achieved through highly skilled working methods. The HP Corse muffler with its winning rally design is the perfect addition to the KTM 890 ADVENTURE, ready to bring you where you want to be. EC/ECE type approved, Euro 5 compliant.

- Directive 134/2014 e 2016/1824 G.

3.600 gr. KTM OEM MUFFLER  
2.550 gr. SP-1 SHORT MUFFLER

Showcased on a global scale at EICMA 2022 in Milan on the 2022 890 Adventure Rally, SP-1 CARBON is the latest release of HP Corse. Designed, developed and built as the ideal synthesis between design and performance, SP-1 CARBON outfits the mid-weight Austrian adventure bike at its best. The signature design taking cues directly from the Dakar experience gets an aesthetic upgrade, with more premium carbon fiber details (end cap and heat shields) used to adorn the 300mm long oval titanium sleeve. Stainless steel hand welded mounting bracket and link pipe, laser engraved logo premium details and superb crafts for a muffler that never says no to ADVENTURE. EC/ECE type approved, Euro 5 compliant.

SPS CARBON SHORT TITANIUM

SPS CARBON SHORT BLACK STEEL

3.600 gr. KTM OEM MUFFLER  
3.500 gr. SPS CARBON SHORT MUFFLER

Create your own style with HP Corse SPS CARBON SHORT and make your 890 ADV unique.

Inspired by the 4-TRACK R exhaust line, thanks to its compact size (300 mm length), SPS CARBON guarantees comfort, maneuverability and superior performance especially at low and mid-range engine speeds. The carbon fiber end cap blends into an ultra light octagonal body available in three different finishings: Titanium, Satin Stainless Steel and Ceramic Black. Nothing is casual – fine details like the double exhaust output, the hydroformed spout and the carbon fiber heat shield are specifically designed to bring your 890 ADV one step ahead of the others. EC/ECE type approved, Euro 5 compliant.
