Ready to hit the road, 4-TRACK RR is designed to withstand the most challenging situations, fully expressing its power and sturdy reliability. The rally look is guaranteed by the carbon fiber heat shield and the hydroformed nozzle. Fully street legal, 4-TRACK RR aces performance test while achieving Euro 5 compliance. A lighter travel companion compared to the stock muffler (2,73 kgs less) 4-TRACK RR is available in natural titanium finish and black ceramic coated titanium both showing the HP Corse logo. 4 TRACK RR is ready for the ADVENTURE on and off road.
