Less is more. Welcome SP-1, the latest Hp Corse product line where minimalist design and state of the art technology merge. A celebration of simplicity and clean lines, SP-1 marks a back-to-basics, with the black carbon fiber tip as its only aesthetic whim (SP-1 Carbon Line). Inspired by the great African rallies, SP-1 draws upon the heritage of the past in order to inspire and define a new riding experience. This ultra lightweight exhaust, oval-shaped, 300 mm long, street legal Euro 5 approved perfectly fits your NORDEN. Sturdy in shape and soul, SP-1 comes with a full titanium body available in two finishes, metal or ceramic black. Designed to be strongest, SP-1 was tested by the best 2-wheel adventurers and off road riders, proving to master the most demanding terrains and challenges. Discover endless exploration capabilities with SP-1 and Norden.

Create your own style with HP Corse SPS CARBON SHORT and make your Norden 901 unique.

Inspired by the 4-TRACK R exhaust line, thanks to its compact size (300 mm length), SPS CARBON guarantees comfort, maneuverability and superior performance especially at low and mid-range engine speeds. The carbon fiber end cap blends into an ultra light octagonal body available in three different finishings: Titanium, Satin Stainless Steel and Ceramic Black. Nothing is casual – fine details like the double exhaust output, the hydroformed spout and the carbon fiber heat shield are specifically designed to bring your Norden 901 one step ahead of the others. EURO 5-compliant.
