Code: MOXCSP1300C-AB

**OVERALL
DIMENSION
90 X 120 mm**

SP-1 SHORT high mount enhances at best the concept of Adventure Touring at heart of the Moto Morini X Cape. Thanks to its construction features, this exhaust provides lightness and maximum reliability. With its **clean and minimalist line**, SP-1 SHORT blends balance of shapes and technological functionality, fully embodying yet reinterpreting in a contemporary key the less is more mantra.

A lightweight **oval-shaped titanium** casing just **300 mm long** is available in two finishings: **natural titanium** and **black ceramic coated** with **HP Corse laser engraved logo**. **Oval molded case-backs**, a **rounded and weldless exit nozzle** improves the outflow of exhaust gases, a **distinctive design** that resumes the 4-TRACK, a first-of-its-kind exhaust. Inspired by the great African rallies, SP-1 SHORT evokes the strength and resilience of the epic off-road motor challenges while affirming itself as a trustworthy travel companion for the X-CAPE 649.

Thrill seekers and adventure lovers can opt for the **DECATALYST -RACING DECAT HEADER PIPES-**: pure engine sound, power and fun guaranteed !

NOTE:
DOES NOT FIT WITH SIDE BAGS

DECATALYST - ONLY FOR RACE -

- 68 %

8200 gr. STOCK MOTO MORINI SILENCER + CATALYTIC CONVERTER
2650 gr. HP CORSE SP-1 SILENCER + DECATALYST

HP CORSE DECATALYST is an accessory sold separately ment to match the SP-1 SHORT Exhaust System for MOTO MORINI. DECATALYST is made of **2 separate pieces** **B-pipe** and **C-pipe** which are **not usable individually**. Its installation involes stock catalyst and silencer removal whilst not requiring changes to the bike neither ECU remapping. The pipes that make up the DECATALYST are **made of stainless steel** and are provided with a collar attachment, a **reinforced mounting bracket TIG welded by hand**, spring connections to **easily fit the SP1 SHORT SILENCER** and **carbon fiber heel guard** for passenger comfort.

Decatalyst mounts only on SP1 SHORT SILENCER.
